About Us

Stemming from the abbreviation "**Greatest Of All Time**" (**GOAT**), GoatKits was established with the mission of tailoring bespoke sports uniforms. Fueled by a deep love for sports and a prowess in design, we are committed to materializing your uniform visions.

Our expertise lies in crafting game uniforms that are not only distinctive and personalized, but also draw inspiration from the rich heritage of each sport. Although we are renowned for our innovative designs, we understand the value of embracing a classic aesthetic infused with individualized elements to best complement a team.

Through collaborative efforts, we work on concept kits to elevate your performance with a touch of unparalleled style. As a boutique design studio, GoatKits specializes in curating bespoke, trendy attire for avid sports fans to relish.

The Process

01

Complete our design form

Share everything in our design form - your crazy ideas, things you like and don't like, favorite team, inspiration, and drawings. We'll put the pieces together and make it happen.

02

Research & Design

Upon receiving your design request, our team will review and conduct research to provide the best design options. You'll receive your custom designs within a few days and we'll continuously refine them until you're completely satisfied.

03

Order & Payment

Get your team's own online store where you can easily check out, personalize, and purchase your stuff. Or, use our bulk ordering with a simple spreadsheet. Customize, buy, and wait for delivery.

04

Production & Delivery

Custom kits are usually made in **4 weeks and 2 weeks** for shipping time. Timeline may vary based on the complexity of your requested design and quantity of your order.

Frequently Asked Questions

Do you charge for design work?

We provide free and unlimited design help. Our skilled designers are committed to bringing your crazy design ideas to life.

Are there design limitations?

We strive to make our customers' ideas real. Sometimes, design limits vary by project. If a request is tough, we work with clients to find other solutions until they're happy with the outcome.

I have a design already, can you produce it?

Yes, we are capable of bringing your designs to life. However, in order to ensure that they align with our production standards and brand identity, some modifications may be necessary. These adjustments include refining the colors and some design components to achieve the ideal outcome.

What is the turnaround time for an order?

Our current order processing time is about 6 weeks. Printing for embroidery, rubber patch, pvc patch, or vinyl will take an extra 1-2 weeks. If you have a tight deadline, please let us know ahead of time to see if we can meet your request.

How do you ship your products?

Our products are shipped together in large quantities, securely packaged in a box to a point person of your team. We aim to offer reasonable and affordable shipping fees, and we will inform you of all the fees before you order..
